The Family We-time Campaign 2025, organized by the Consortium of Institutes on Family in the Asian Region (CIFA), is sponsored by the Jockey Club SMART Family-Link Project, initiated and funded by The Hong Kong Jockey Club Charities Trust. We are excited to unite families through creative expression in this year's campaign. Participants are invited to submit family **photos** or **coloring works** focusing on two megatrends promulgated by the United Nations, **New Technologies** and **Urbanisation & Migration**.

The campaign aims to raise awareness of these two megatrends, encouraging families to positively face and tackle challenges to enhance family well-being. Themes may cover effective use of new technology, social inclusion, and building social networks, etc. Selected works will be featured in a creative collage in a Family We-time Online Gallery.
